

## REPORT OF VILLAGE WALK NEW YEAR'S DAY 2016

As usual for New Year's Day there was a good attendance of walkers and the all important weather forecast indicated good, dry conditions for daylight hours. Thirty-one persons plus two dogs on leads made up the group. The majority of the group drove and parked in front of the Donyland Woods layby then crossed the Mersea Road with care to the Roman River Valley to walk the hard paths. The 3-mile route had been prepared by Gordon Davis. The valley had also attracted many other local walkers and it was refreshing to see so many people exercising themselves after Christmas.

Abberton & Langenhoe are fortunate to have Margaret Clouter, Derek and Ena Ingham who all gave up their spare time to organise the village tea which concluded the afternoon's activity sponsored by the Parish Council.
