

## **Report of Abberton & Langenhoe Village Walk 42**

Only 12 people plus one dog attended the village walk on 13<sup>th</sup> May 2018. Before the walk Mr Stephen Wormell presented a retirement gift to Derek & Ena Ingham as a small appreciation for their tea and coffee on behalf of the walkers. Stephen Wormell commented that Derek and Ena had been a credit to the village.

The walkers were very interested in the Roman River and also visited the MCTC with its front entrance in Berechurch Hall Road. There was still time to listen to the nightingale and to observe the numerous butterflies plus the wild flowers in full bloom.
