

## VILLAGE WALK 30th SEPTEMBER 2012

In sunny weather thirty-four adults and seven children enjoyed the 25th village walk from Fingringhoe Church to Rowhedge water front. The circular 2.5 mile route was via The Whalebone, Fingringhoe Bridge and the John Brunning Walk along the banks of the Roman River to the old and new parts of Rowhedge. With cooperation from Langenhoe School all the children on the walk took part in an observation game, each being given a clipboard and a list of twenty features which they had to tick off as they passed by. The afternoon's programme was jointly organised by Bridget Matock and Gordon Davis and at the conclusion of the walk a social tea was organised by Derek and Ena Ingham, the total event being sponsored by the parish council.
