

VILLAGE WALK – 4th MAY 2014

Ruby the dog plus seventeen walkers from Abberton and Langenhoe enjoyed the spring sunshine and the Roman River Valley on Bank Holiday Sunday. Afterwards they sat down to a welcome tea in the village hall prepared and arranged by Derek and Ena Ingham.

The organisation and the route were again in the hands of Gordon Davis. Starting from St Andrew's Church car park the group headed southwards at the back of Abberton Manor to cross the Roman River via the bridleway bridge and alongside Friday Woods into Cherry Tree Lane. After listening to the explosive song of the nightingale the walkers began the second half of the walk via Park Lane and the same bridge as on the outward section. Judging by the laughter and light heartedness in the group everyone had enjoyed themselves and especially to admire the wonderful views of the enlarged Abberton reservoir and the flowering May blossom.
