Dear Mrs Holland,

I would be grateful if you would pass our sincere thanks and appreciation to the Parish Councils of Ashingdon and Canewdon for arranging for our school to be given so many learning opportunities about the Battle of Assandun. In addition, I would like to thank you for all of the hard work that you put into making the arrangements for the children's learning. I know, from experience, that it is never easy to organise so many events for so many people.

The pupils and staff thoroughly enjoyed everything that you organised and certainly learnt a lot about their local area. This, in turn, I hope will enable them to have a greater appreciation of their local history and their roots which is imperative if they are to contribute effectively to their communities as they grow and develop into responsible citizens.

I apologise for the delay in sending this letter of thanks. Somehow the end of term of arrangements took over!

Once again, thank you.

Yours sincerely,

L. Pigram
