**Dear Sir/Madam,**

**Re: Request not to receive unsolicited sales calls at my home**

**On (*insert date*) I received an unsolicited sales visit from one of your representatives.**

**I display a notice on my door requesting that traders do not to call at my home and despite this I was still visited.**

**I have requested that (*you/your employee*) should leave my property and not return. If you fail to comply with this request you may commit a criminal offence under the Consumer Protection from Unfair Trading Regulations 2008. Please can you ensure that you record, on your system, that I do not wish to be visited by representatives from your business in the future.**

**I am sending a copy of this letter to (*my local*) Trading Standards and will inform them if I receive any visits from representatives of your company again in the future.**

**Yours faithfully**
