

Galleywood Festival 2019 is the seventh in the new series of events reviving the community spirit and camaraderie of the Galleywood Carnivals of yester-year and 'Celebrating Life in our Village'.

The Festival Committee was established following the successful 2012 event, a weekend celebration on Galleywood Common for the Queen's Diamond Jubilee and award of the 2012 Olympic and Paralympic Games to London. It was a Galleywood Parish Council initiative.

The annual festivals have been held regularly since 2014.
