

Vision & Objectives

ST. ANDREWS CHURCHYARD, HATFIELD PEVEREL

Vision

Hatfield Peverel in 2033 will be a place where people of any age are happy to live with the ability to easily access facilities, education and employment.

The rural character and heritage of the village will be maintained and coalescence with the surrounding settlements be prevented by protected open areas. Any new developments in the built environment will be integrated with the landscape and the existing housing.

The village's geographical position in the area's road network is likely to continue to be a challenge during the plan period. Finding creative and collaborative solutions across local authority borders and agencies will be a high priority.

Objectives

1. To build a strong economic and social centre for both Hatfield Peverel and Nounsley, which will provide sustainability for the community.
2. To sustain economic growth by enhancing employment opportunities in the Parish; having a thriving retail core and increased options for home working.
3. To have effective, high level internet connectivity for all residents and businesses.
4. To continue to be separate distinctive settlements with open green areas maintained between Hatfield Peverel, Nounsley, Witham, Boreham and the wider district.
5. To retain the rural character of the village with protected open spaces, enhanced natural environment and recreation facilities for health and wellbeing.
6. To have effective communication links with well managed traffic and parking, improved walking and cycling routes and a range of travel options.
7. To support access for all residents to appropriate education and health services.
8. To ensure the provision of high quality housing suitable for all ages with easy access to essential services where family members can remain living locally.
