### LITTLE TOTHAM TRANSPORT AND TRAFFIC SURVEY

Following a meeting in Little Totham with Parish Council Chairman Richard Siddall and County Councillor Mark Durham, I am distributing a survey to local residents regarding the condition of local roads and traffic.

The condition of a number of local roads in and around Little Totham is poor and I am also concerned about the levels of traffic through the village. In particular, the volume of heavy goods vehicles travelling to and from the Beckingham Business Park is high and affecting the roads and safety in the area.

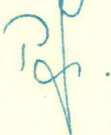

I am making representations to Essex County Council to press for action to be taken to repair local roads and to review traffic management to see what action can be taken to reduce heavy goods vehicles in the village. As part of this process, working with Richard and Mark, I am keen to build up a strong evidence base of all of the issues and problems with the roads and traffic in this area which residents face.

With this in mind, I would be most grateful if you could complete the survey attached and return it to me by post (The Rt Hon Priti Patel MP, House of Commons, London, SW1A 0AA) or by email ([WithamMP@parliament.uk](mailto:WithamMP@parliament.uk)). If you would like an electronic version of this form please email me at the contact details above or download a survey online at the weblink below:

I am grateful for your time and if I can assist further with this issue or any other matter please do let me know.

Yours sincerely,

*with all good wishes*  

**The Rt Hon Priti Patel MP**  
**Member of Parliament for Witham**

*Putting the Witham Constituency, Essex and Britain first.*
