Ramsden Bellhouse Neighbourhood Plan Residents Community Survey

The Survey overleaf follows on from the recent 'Neighbourhood Plan Update' leaflet and aims to build on the information gathered at the workshop in September 2018 (which many residents attended) to find what the wider community have to say about the village.

The Neighbourhood Development Plan will be an important document involving the community of Ramsden Bellhouse because it is to set out our vision and plans for the future of the village and this needs your participation and input.

A Neighbourhood Plan is a document to reflect the views of the community and will propose local planning policies which will be used (alongside national and local authority policies) when planning applications in our area are submitted in the years to come, especially for the 39 new homes that Basildon Council has set as a target for the Ramsden Bellhouse Parish Council in the development of this Neighbourhood Plan.

We will not disclose any individual's details but will use the answers collected to represent the things that are important to you about our village. We intend to share the results with the community as soon as possible.

Please return the completed survey to the collection box in Hemmings (our shop) or e-mail a soft copy to the Parish Clerk (Mrs Georgina Bassett)

✉ ramsdensbellhousepc@outlook.com Additional copies are available at Hemmings or from the link on the Parish Council website:

Please encourage other members of your household to submit their own survey.

Closing Date: Please return your completed survey as soon as possible but, at the latest, by Monday 16th September 2019. Thank You.
