94. **To consider concerns about ASB during the recent night cycle ride through the village**

Mrs. G. Massey referred to items on Facebook from concerned residents about ASB, noise and litter arising from a night cycle ride through the village during the night of 4<sup>th</sup>/5<sup>th</sup> July 2015. The Chairman added that notices had been placed on resident's properties without permission, which were difficult to remove. He stated that as the cyclists were using facilities at the Village Hall, these were mainly matters for the Village Hall Committee rather than the Parish Council. The meeting adjourned for public comment.

Mr. F. Ranson of Church Street reported upon excessive noise at what was supposed to be an organized event and that water bottles were strewn around the village. Another resident living near Church Street also complained about noise. Mr. J. Nicholson reported that the English Cycling Union should obtain a license for events involving over 25 cyclists. Mr. G. Scrace also observed that there was more noise this year and that some cyclists appear to have taken the wrong turning so need to check their route.

The meeting then resumed. Mr. J. Fennelly reported that according to the Cycling Club's website they had previous complaints. Mr. P. Sarel considered that future bookings must be subject to conditions. Mr. J. Skittrall, as Chairman and Bookings Secretary for the Village Hall reported that the Cycle Club were late in booking the hall so he was not able to monitor the event as he had done in previous years when there were no complaints. This is an annual booking at which about 3,000 cyclists use the facilities at the Village Hall. He reported that the lighting and area around the Village Hall had been rearranged and there was now ample space so there was no need for cyclists to congregate in Parkfields. Mr. Skittrall offered to speak to the organizer in London to review arrangements for next year and will report back to the next meeting. In the meantime the complaints will be considered by the Village Hall Committee at its next meeting on 15<sup>th</sup> July.
