Immediate road closure at Wellinditch Bridge, Woodham Road, Stow Maries, CM3 6SD

We are writing to advise you, on behalf of Highways England, that an immediate closure is being enforced on Woodham Road, Stow Maries due to an unsafe structure. The closure will be effective between the junction of Crows Lane and Lower Burnham Road. We have been informed the closure is expected to be in place for approximately eight weeks.

Please note that these works are being arranged and completed by Highways England who own the structure, and not by Essex Highways.

Please be assured that we will provide further information on behalf of Highways England to the parish and update the community with details about the works and any associated traffic management as the works develop.

For general queries please contact the Highways England customer service team by email at info@highwaysengland.co.uk or by telephoning 0300 123 5000

Kind regards,

Essex Highways

Please be aware we are unable to respond directly to highway requests or queries from the public sent to this mailbox. These should be addressed to the Essex County Council customer service team either by telephone: 0345 603 7631 or by completing the online form: <https://www.essex.gov.uk/enquiries>.
