ESSEX PLAYING FIELDS (EPF) BEST KEPT PLAYING FIELD COMPETITION 2015 (BKPF)

Tillingham Parish Council is a member of EPF, and each year it is invited to enter the BKPF competition. There are in total seven classes in the competition and usually Tillingham Parish Council enters up to five classes.

The classes entered in 2015 were:

Class 2—Playing Fields serving a population under 2500.

Class 3—Childrens playgrounds

Class 4—Cricket grounds on which a winter game may or may not be played.

Class 5—The best kept football pitch

Class 7—For exceptional work carried out during the year.

Tillingham Parish Council is informed that EPF judges visit and inspect our facilities throughout the year. They award us points and then certificates and prizes are awarded. For the BKPF competition 2015 there were 172 entries. All entrants obtaining more than 75 points received a certificate of merit. Those receiving 81-85 points received a Silver Award and those receiving 86 points and above received a Gold Award.

On 15 October Chairman Cllr Robert Harvey and the Clerk Sheila Welham attended the EPF Annual General Meeting and they were presented with the following certificates of merit:

Class 2-Playing Field	Gold Award
Class 3-Children's Play Area	Silver Award
Class 4-Cricket Ground	Silver Award
Class 5-Football pitch	Gold Award

Class 4 – Cricket Ground is partnership working with Tillingham Cricket Club.

Class 5 – Football Pitch is partnership working with Tillingham Hotspur Football Club.

This is an excellent achievement and Tillingham Parish Council wishes to thank everyone who contributes towards the maintenance of the West Field and facilities.
