As the darker evenings draw in, don't make your home a target for opportunist thieves. **Follow these simple tips:**

- Leave a light on
- Draw your curtains or close blinds
- Keep valuables out of sight
- Always lock doors and windows. If you have a UPVC door make sure you have double-locked it
- Register your valuables at www.immobilise.com. It's free and takes just a few minutes and, if your valuables are stolen, it will allow you to tell the police, your insurer and the second-hand trade to assist in recovering your property and catch the thief.
- Consider purchasing a 24-hour segment timer for under £5. These timers can be used with a lamp, radio or TV to give the impression that someone is at home. Remember to use an energy-efficient light bulb.

Neighbourhood officers will be patrolling in your neighbourhood and, if they believe your house is at risk of being burgled, you may receive one of our 'Here's a Bright Idea' cards through your door. You can contact your neighbourhood policing team for further crime prevention advice.
