73/2016  FEERING PARISH COUNCIL RESPONSE TO THE BDC DRAFT LOCAL PLAN
Cllr P. Lees informed the meeting about a meeting that Cllr L. Blackburn and himself attended with
Kelvedon NP Committee members & BDC Local Plan officers.
Councillors then discussed in great depth and agreed the points to be made in Feering Parish
Council’s response to the public consultation on the BDC draft Local Plan (consultation close date
19 August 2016). It was agreed that FPC will OBJECT to policy LPP 20 Strategic Growth Location
– Land at Feering. The main reasons for the objection is that
(i) the proposal for up to / a minimum of 1000 homes in Feering is on farmland outside the village
envelope and would more than double the number of homes in Feering
(ii) FPC require infrastructure improvements before development - before more than 30 new
homes, as proposed in the previous draft Local Plan, are built. Specifically oppose any cumulative
development of more than 30 new homes before an all movement junction on the A12 is
operational that provides a route for traffic from Feering, Coggeshall, Tiptree and other
settlements to access the A12 both north- and south-bound without the need to travel along
Kelvedon High Street.
Cllr Evans undertook to produce a draft of the FPC response to circulate to fellow Councillors for
agreement and subsequent submission to BDC as FPC’s formal response to the Draft Local Plan
public consultation.
The agreed and submitted response is attached as Appendix 1 of these Minutes.

74/2016  16/00569/OUT - Land North East of Inworth Road Feering
Outline planning application to include up to 165 dwellings (C3), vehicular access from London
Road, public open space, landscaping, associated infrastructure, drainage works and ancillary
works. Detailed approval is sought for access arrangements from London Road, with all other
matters reserved.
Comments to BDC by 30.08.16

This item was taken out of Agenda order and was considered alongside the FPC response to the
BDC draft Local Plan as it concerns an application to develop a part of the proposed strategic growth
site FEER 233 and is also owned by Crown Estates.
There was some uncertainty amongst Councillors as to why this item was on the Agenda as FPC had already submitted their objection comments in May. Councillors surmised that it concerned the information in the “Technical Clarifications report” submitted to BDC by Amec Foster Wheeler on behalf of Crown Estates towards the end of July. This therefore formed the basis of the Councillors’ discussions.

It was agreed that FPC would maintain their OBJECTION to this outline planning application for (up to) 165 homes on a part of site FEER 233 owned by Crown Estates. Since FPC first objected to this outline application in May, site FEER 233 has been included in and forms a significant part of the land identified in the BDC draft Local Plan policy LPP20 Strategic Growth Location – Land at Feering which includes a proposed up to / a minimum of 1000 homes.

FPC OBJECT to the current application 16/00569/OUT for (up to) 165 homes proceeding as a stand-alone application - it MUST be a phase of the policy LPP20. In particular, the existing road infrastructure problems, including the limited movement A12 Kelvedon North / Feering junction, must be dealt with BEFORE any significant number of new homes are granted planning permission and built. Development must proceed as an integrated whole such that input from the Feering Neighbourhood Plan on the nature & positioning of the facilities included in policy LPP20 is taken into account and is not compromised by stand-alone development of part of the proposed strategic site.

Cllr Evans undertook to produce a draft of the FPC response to circulate to fellow Councillors for agreement and subsequent submission to BDC Planning as FPC’s additional OBJECTION response to 16/00569/OUT - Land North East of Inworth Road Feering.

The agreed and submitted response is attached as Appendix 2 of these Minutes.

At 11.30am, being 2 hours after the start of the meeting, Councillors voted unanimously to continue with the business on the agenda as required by the Standing Orders.
