

Marks Tey Parish Council is looking for new Parish Councillors – Would you like to join the Parish Council?

If you have the desire to be of service to your local community and to help improve the lives of the people you share it with then this role will suit you!

People of all ages and backgrounds become councillors and they bring a range of different skills and viewpoints to the running of their Parish Council. Skills developed at work, through voluntary service, through community involvement, through raising a family, along with specific local knowledge, can be very valuable to be a good councillor.

As a councillor you will need to represent the people of your village and play an important role in the major decisions that affect their lives. While councillors do not work for the council and are not paid a salary for their role they do decide how money is spent and resources are used, so be prepared to take responsibility and stand by your actions. Being an effective councillor requires both commitment and hard work, but can be extremely rewarding.

If you would like to be co-opted as a Councillor, please contact the Parish Clerk Steve Marriott on tel 01206 213250 or by email: parish.clerk@marksteyparish.org.uk
