Apprentice Opportunities with Essex County Council – Adult Learning

There are now opportunities, via ECC, to recruit and train an apprentice to join your team. Or, you can use the apprenticeship scheme to update and upskill existing staff.

We are currently able to offer a range of apprenticeships including Business Administration, Customer Service and Accounting (AAT). Leadership and management training, via the Institute of Leadership and Management, can also be offered to your existing staff including supervisors, team leaders and managers at all levels. You may also be entitled to a Government initiative of £1,000 if you employ a young person and all training may also be fully funded.

We would welcome the opportunity to talk through the options with you; to look at the Levy funding allocation and how it can be utilised and or potentially access additional funding.

Maths and English – Functional skills in these topics remain a Government priority and we are currently offering qualifications in these areas free to members of our community. Courses can be delivered either in one of our centres across Essex or an online course is available too. Please let me know if you want a poster to advertise these opportunities locally.

If you have any questions about training opportunities or about the benefits an Apprentice can bring, please contact me on 033301 34959 or email simon.burwood@essex.gov.uk.

Change of Parish Clerk?

To ensure information is sent to the correct person/council, please let me know as soon as possible if there has been a change of parish clerk. I am responsible for updating the Essex County Council (ECC) central database of parish and town councils; I also send alerts to the various ECC departments of any changes.

You can contact me either by email: angela.balcombe@essex.gov.uk

or telephone: 033301 38008

ESSEX BIG WEEKEND™

Saturday 24th & Sunday 25th March 2018

Are you ready to get your tickets to the biggest celebration of the year?

Registration for the 2nd Visit Essex Big Weekend opens on 8th February, where hundreds of FREE pairs of tickets for a host of attractions and fun-filled activities across the county, will be up for grabs via an on-line ballot.

A huge variety of Essex tourist attractions and related businesses will be opening their doors free of charge, or offering special gifts to lucky ticket holders on 24th and 25th March, as part of Visit Essex's second celebration of the county's tourism industry.

Some of the county's biggest attractions have already signed up to this year's event, including Barleylands, Chelmsford City Racecourse, Lifehouse Spa Hotel, Marks Hall Gardens and Arboretum, Redwings Horse Sanctuary and Hedingham Castle, to name a few.

Experiences on offer include entrance to stunning stately homes, gardens and thrilling white water or high wire experiences. Don't miss out, register your interest here NOW: www.essexbigweekend.co.uk Essex residents can apply for as many tickets as they like, but there will be a limit of two winning tickets per household.

There's still time for more **tourism attractions** or related business to get involved in the celebrations too by offering extra tickets – make sure you contact the Visit Essex team by 12th January to be included. Contact bigweekend@visitessex.co.uk Or register here: www.essexbigweekend.co.uk/attraction-register

Essex Big Weekend was set up to promote Essex's incredible attractions and sights, and to encourage residents to discover how much there is to see and do on their doorstep. The event is also part of English Tourism Week (<https://www.visitbritain.org/english-tourism-week>), which highlights the importance of tourism as one of the fastest growing sectors in the national economy.

The Ballot opens on 8th February – 12th March. Two tickets per household will then be allocated at random by ballot (some family tickets are available).

The Essex Design Guide

The 28 February will see the launch of the new updated Essex Design Guide, an expert, highly regarded resource, which provides residential planning advice within a socio-economic and environmental context.

First published in 1973, the guide is established best practice for developers, local planning authorities and Parish Councils, on new residential developments.

Since its initial publication, and through subsequent revisions (1997 and 2005), the Guide has influenced and directed development in Essex for almost 45 years. Published initially by Essex County Council, later revisions of the EDG have been produced collaboratively with the Essex Planning Officers' Association (EPOA) including this 2018 edition.

The Essex Design Guide has attracted national and international recognition from a variety of leading practitioners in the urban design field and residential developments based on the Guide have won awards. Today the Guide is still regarded as required reading for those responsible for designing new communities.

The new Guide will be a free to access digital resource that looks at increased innovation and efficiency of housing but also takes a holistic view of place making by considering the impact of socio-economic themes such as ageing population, public health, garden communities and the digital economy. Contributors from across the private and public sector have collaborated to produce the new guide including the Essex Planning Officers Association (EPOA), Essex County Council, the community, developers, planning officers, NHS, the Police, Sport England and Active Essex – this ensures the Guide is robust and has taken on-board varying priorities, concerns and design considerations.

As an online tool the Essex Design Guide will aid Parish Councils in conversations with the public, developers and District, Borough and City Councils regarding new developments, quality of housing and place making while at the same time providing local context and guidance.

The Guide has also been updated to include a dedicated page for each Local Planning Authority taking into account the differences in place and ensuring the local context is referenced and respected.

The updated version of the Guide retains the pioneering aspirations and core design principles of the original, while focusing firmly on the future – of both Essex and the EDG itself as an interactive online guide that is more accessible and relevant than ever. Regular updates through the new digital platform ensure the Guide is future-proofed, which is vital given the continually changing nature of modern development.

Moving to a digital version will make the guide more user friendly and the expectation is that it will serve as a resource Parish Councils and residents can refer to in order to understand and respond in the planning process. While it is acknowledged that conversations about local development can be difficult, it is hoped the EDG will demonstrate there is clear guidance in place around quality of build and infrastructure, therefore addressing some of the most common concerns of local people.

The new EDG will be available from 28 Feb on www.essexdesignguide.co.uk but if you wish to know more about the guide email enquiries@placeservices.co.uk or call 0333 013 6840.

Crowdfund your idea with The Essex Crowd

Crowdfunding is a great way to get your community project up and running.

Got an idea to improve your local area? Know that it will gain support from your community? Then what is holding you back?

www.spacehive.com/movement/theessexcrowd is a movement to pitch your project idea and plan exactly how your idea could happen and the budget required to do so.

This is exactly what the Repair Hub in Springfield, Chelmsford did. The group planned and pitched to The Essex Crowd with the aim to chat to hub attendees on a weekly basis about the benefits of recycling and to teach important skills such as sewing, repurposing and refashioning – make and mend before buying new.

Find out more about the project aims here www.spacehive.com/the-repair-hub

The idea of crowdfunding is that a project needs to be fully funded before any pledges are accepted to turn an idea into reality. Pledges of support can be made for as little as £2 by an interested backer!

Other recent projects pitched on The Essex Crowd is a Zipwire in Great Chesterford, Uttlesford www.spacehive.com/chesterford-zipwire

AND

Improve 'our Hadleigh' with more lights for Christmas 2019 www.spacehive.com/hadleighessex

Find out what is being proposed to improve your local community, or why not pitch an idea yourself?

It's all about crowdfunding with the Essex Crowd. Be a part of your community and tell someone about your idea to improve your local area!

www.essex.gov.uk/communities

March 2018 Transport Representative Meetings

District	Date	Time	Venue
Chelmsford/Basildon	Tuesday 6 March	10.00 – 12.00	St Cedd's Hall Chapter House & Cathedral Centre Cathedral Walk, Chelmsford CM1 1NX
Uttlesford	Thursday 8 March	10.00 - 12.00	The Talberd Room Foakes Hall 47 Stortford Rd Dunmow CM6 1DG
Braintree	Monday 12 March	10.00 - 12.00	The Council Chamber Braintree Town Hall, Market Square, Braintree , CM7 3YG
Castlepoint/Rochford/Rayleigh	Tuesday 13 March	12.30 – 14.30	Mill Art & Events Centre Bellingham Lane Rayleigh SS6 7ED
Brentwood	Thursday 15 March	10.00 – 12.00	Brentwood Baptist Church Hall Kings Chase Brentwood CM14 4DR

Maldon	Monday 19 March	10.00 - 12.00	The Conference Room, Maldon Town Council, Market Hill, Maldon CM9 4RL
Epping Forest & Harlow	Thursday 22 March	10.00 - 12.00	Epping Town Council, Epping Hall, St John's Road, Epping CM16 5JU
Tendring	Friday 23 March	10.00 – 12.00	Essex Hall Clacton Town Hall Station Rd Clacton-on-Sea CO15 1SE

Planning News

Development Management News

A planning application for the creation of two new plots facilitated by the construction of an ancillary amenity block at **Felsted Caravan Site, Gypsy Lane, Little Dunmow** has been approved by Members of the Council's Development & Regulation Committee (application ref: CC/UTT/52/17). The report presented to Members on 26 January considered the proposal would overcome some long existing fly-tipping problems at the site and furthermore provide two much-needed gypsy and traveller plots within Essex. It was not considered that the development would appear out of character and/or give rise to any significant amenity or highway impacts. The application was approved subject to conditions.

A planning application for the construction of a new English block, a new sports block, extensions to existing school buildings (to facilitate expansion of the existing school to a 9FE school) and provision of a temporary construction access at **West Hatch High School, High Road, Chigwell IG7 5BT** was approved by Members of the Council's D & R Committee (application ref: CC/EPF/46/17) subject to the Secretary of State not wishing to call-in the application for his own determination. The application presented to Members on 26 January considered that the proposal would provide much needed permanent teaching and ancillary accommodation at the school to help meet the increased demand for secondary school places in the area. The school site is located entirely within the Green Belt and it was considered that the applicant demonstrated the very special circumstances necessary to outweigh the potential harm to the Green Belt. The proposed development was considered to be of an appropriate design and location and unlikely to have a significant detrimental impact on the amenity of the nearest residential properties. Subject to the Secretary of State calling in the planning application for his own determination planning permission was approved subject to conditions.

Flood Management News

Essex County Council's Flood and Water Management Team recently carried out a **ditch clearance event in Wivenhoe**.

The suspect watercourse has received limited maintenance for many years and a combination of silt build up and vegetation growth meant it was severely lacking in capacity. *See image below left.*

Having such a high constant water level was limiting the discharge rate of the piped watercourse upstream and the capacity of the whole system for storing water. In times of heavy rainfall this contributed to the backing up of the upstream piped system, through Wivenhoe, which overflowed and flooded numerous residential and commercial properties in the vicinity of St Johns Road and Brook Street.

With a few hours work the team had cleared much of the offending vegetation and removed enough silt to significantly drop the base level of water in the ditch. *See image below right.*

This work means the outfall from the piped system has been cleared and will no longer suffer from being partially submerged, thus increasing its capacity to transport water away from the town during rainfall events.

Watercourse maintenance is in most cases the responsibility of the landowner. These events occur where exceptional circumstances prevent the land owners from being able to maintain their watercourses.

We hope that this news has been useful and interesting to you all. If you have any comments or suggestions for future topics you would like to see covered in *Making the Links*, please let us know via Angela Balcombe, the Parish Information and Co-ordination Officer, or Rebecca Rushmer at rebecca.rushmer@essex.gov.uk

Pending Minerals and Waste Applications as of 15 January 2018

<u>Area description</u>	<u>Application number</u>	<u>Location</u>	<u>Application type</u>	<u>Validation date</u>	<u>Full development description</u>
Basildon	ESS/68/17/BAS	Pitsea Landfill Site Pitsea Hall Lane, Pitsea, SS16 4UH	Full Planning Application ESS	02/01/2018	Waste Transfer Station for food and green waste (part retrospective) utilising an existing building.
Basildon	ESS/62/17/BAS	Pitsea Landfill Site Pitsea Hall Lane, Pitsea, SS16 4UH	Removal/Variation of Condition ESS	14/12/2017	Continuation of planning permission ESS/19/12/BAS without compliance with condition 2 (cessation by 31 December 2017 and restoration by 30 June 2018) to allow retention until 31 December 2025 with restoration by 31 December 2027. ESS/19/12/BAS was for "Use of 1.3ha land within the existing site to store compost oversize product and to enable provision and operation of machinery for the further treatment and recycling of the oversize product".
Basildon	ESS/61/17/BAS	Pitsea Landfill Site, Pitsea Hall Lane, Pitsea, SS16 4UH	Removal/Variation of Condition ESS	14/12/2017	Continuation of planning permission ESS/21/11/BAS without compliance with condition 2 and 3 (cessation of use and restoration) to allow retention of buildings until 31 December 2025 and restoration by 31 December 2027. Planning permission ES/21/11/BAS was for Retention of the

sub-station/transformer room, centrifuge building, control room and laboratory and 4 storage tanks. The change of use of the centrifuge building to a storeroom, change of use of the control room to a mess room for the compost operators and the change of use of the laboratory as a support facility for the nearby leachate treatment plant.

Basildon	ESS/60/17/BAS	Pitsea Landfill Site Pitsea Hall Lane, Pitsea, SS16 4UH	Removal/Variation of Condition ESS	14/12/2017	Continuation of planning permission ESS/15/11/BAS without compliance with condition 1 (cessation of use and completion of restoration) to allow retention of the composting facility until 31 December 2025 with restoration by 31 December 2027. Planning permission ESS/15/11/BAS was for Waste composting facility, including storage and reception buildings, composting tunnels, biofilter, air treatment room and office, laboratory.
Basildon	ESS/59/17/BAS	Pitsea Landfill Site, Pitsea Hall Lane, Pitsea , SS16 4UH	Removal/Variation of Condition	14/12/2017	Continuation of development permitted by ESS/50/08/BAS without compliance with condition 3 (development restriction) and condition 4 (restoration by 31 December 2017) to allow continuation of development and restoration by 31 December 2027. ESS/50/08/BAS was for "Change of use of land to enable provision and operation of machinery for the pre-treatment of inert waste to create restoration soils".

Basildon	ESS/49/14/BAS	Pitsea Landfill, Pitsea Hall Lane, Pitsea, Basildon, SS16 4UH	Full App with EIA ESS	27/11/2014	Continuation of installation of waste pre-treatment facilities and recontouring of the landfill to facilitate restoration permitted by ESS/35/06/BAS without compliance with condition 4 (completion timescales), to allow waste to be deposited on site until 31 December 2025 and the site restored to nature conservation by 31 December 2027 and without compliance with condition 3 (waste geographical sources) to allow importation of waste from outside Essex and Southend and also without the development of the previously permitted waste pre-treatment facility.
Braintree	ESS/37/17/BTE	Land at Rivenhall Airfield, Coggeshall Road (A120), Braintree CO5 9DF	Removal/Variation of Condition ESS EIA	20/07/2017	Continuation of Integrated Waste Management Facility1 permitted by ESS/34/15/BTE without compliance with conditions 2 (application details), 14 (stack [chimney] design and cladding), 17 (Combined Heat & Power Plant Management Plan) and 56 (maximum stack height) to amend details resulting from the increase in stack height. Note 1: The Integrated Waste Management Facility comprises Anaerobic Digestion Plant treating mixed organic waste, producing biogas converted to electricity through biogas generators; Materials Recovery Facility for mixed dry recyclable waste to recover materials e.g. paper, plastic, metals; Mechanical Biological Treatment facility for the treatment of residual municipal and residual commercial and industrial wastes to produce a

solid recovered fuel; De-inking and Pulping Paper Recycling Facility to reclaim paper; Combined Heat and Power Plant (CHP) utilising solid recovered fuel to produce electricity, heat and steam; extraction of minerals to enable buildings to be partially sunken below ground level within the resulting void; visitor/education centre; extension to existing access road; provision of offices and vehicle parking; and associated engineering works and storage tanks.

Braintree	ESS/36/17/BTE	Land at Rivenhall Airfield, Coggeshall Road (A120), Braintree CO5 9DF	Full App with EIA ESS	20/07/2017	<p>Full planning application to increase stack (chimney) height from 85m Above Ordnance Datum to 108m AOD (35m above existing ground levels to 58m above existing ground levels) of the Integrated Waste Management Facility 1.</p> <p>1The Integrated Waste Management Facility comprises Anaerobic Digestion Plant treating mixed organic waste, producing biogas converted to electricity through biogas generators; Materials Recovery Facility for mixed dry recyclable waste to recover materials e.g. paper, plastic, metals; Mechanical Biological Treatment facility for the treatment of residual municipal and residual commercial and industrial wastes to produce a solid recovered fuel; De-inking and Pulping Paper Recycling Facility to reclaim paper; Combined Heat and Power Plant (CHP) utilising solid recovered fuel to produce electricity, heat and steam; extraction of minerals to enable buildings to be</p>

partially sunken below ground level within the resulting void; visitor/education centre; extension to existing access road; provision of offices and vehicle parking; and associated engineering works and storage tanks.

Braintree	ESS/20/17/BTE	Bradwell Quarry, Church Road, Bradwell, Braintree, CM77 8EP	Removal/Variation of Condition ESS	24/02/2017	Continuation of development permitted by ESS/07/16/BTE without compliance with condition 9d (operational hours for the dry silo plant mortar [DSM]) to allow extended week day hours for the DSM between 06:00 to 07:00 and 18:30 to 22:00 Monday to Friday. Planning permission ESS/07/16/BTE being for "Continuation of development permitted by ESS/24/14/BTE without compliance with conditions 2 (application details), 7 (timescales), 38 (sequence of restoration) and 59 (no importation of mineral for processing) to allow amended restoration levels, revised phasing and additional time to complete extraction and restoration until 2021, utilisation of overburden in restoration and processing of mineral both arising from the Integrated Waste Management Facility. Planning permission ESS/24/14/BTE being for Extraction of an estimated reserve of 3 million tonnes of sand and gravel (from Sites A3 and A4 as identified Minerals Local Plan) and retention of existing access onto the A120, private haul road, sand and gravel processing plant, ready mixed concrete plant, bagging plant, dry silo mortar plant
-----------	---------------	--	---------------------------------------	------------	---

and water management system, internal haul roads and re-contouring of restoration levels of extraction areas (Sites R and A2) with restoration to a combination of agriculture, woodland, biodiversity, water lagoons and to levels appropriate to safeguard implementation of planning permission ESS/37/08/BTE (Integrated Waste Management Facility)".

Braintree	ESS/19/17/BTE	Land at Rayne Quarry, Broadfield Farm, Dunmow Road, Rayne, Braintree CM77 6SA	Full App with EIA ESS	01/03/2017	A new sand and gravel quarry at Broadfield Farm, to the west of Rayne, near Braintree, comprising the phased extraction of some 3.66m tonnes of sand and gravel; the installation of processing plant and ancillary buildings and infrastructure; the construction of a quarry access onto the B1256; the construction of a permanent screening landform; the construction of temporary screen mounds in defined locations around the perimeter of the quarry; the phased restoration of the extraction area using indigenous soils; overburden and clay from within the application site to a land use mixture of arable agriculture, lowland acid grassland, lowland meadow, woodland, lake and reedbeds; and public access via proposed public rights of way. (Revised wording).
Chelmsford	ESS/70/17/CHL	Roxwell Quarry Complex, Boyton Cross, Roxwell,	Removal/Variation of Condition ESS	02/01/2018	For continuation of development permitted by planning permission ESS/05/15/CHL without compliance with conditions 2, 3, 15 to allow the

Chelmsford
CM1 4LT

restoration of Area Z, the Former Plant Site and Brittons Hall Farm Landfill Site to be completed by 31 December 2019. ESS/05/15/CHL was for the following development 'the modification to the restoration profile and the restoration scheme for the non-hazardous landfill arising from overtipping of approx. 85,250 cubic metres (part retrospective). Enhanced restoration of a former landfilling area by the importation of inert materials and biosolids to enable agricultural after-use and restoration scheme for the former mineral processing plant site to woodland, nature conservation and agricultural after-uses (including retention of hardstanding and workshop). All to be completed by 31 December 2015.

Chelmsford	ESS/49/17/CHL	Sandon Quarry, Molrams Lane, Sandon, Essex, CM2 7TE	Removal/Variation of Condition ESS	12/09/2017	Continuation of use of site reception area without compliance with Condition 1 (Duration) of planning permission ESS/30/17/CHL (Improvements to the existing site reception area) until 31st December 2026.
Chelmsford	ESS/42/17/CHL	Blackley Quarry, Land to the north east and north west, A131, Great Leighs, CM3 1QP	Removal/Variation of Condition	03/08/2017	Continuation of planning permission ESS/46/16/CHL without compliance with condition 3 (Application details), condition 27 (Stockpile heights and locations) and condition 35 (Tree and hedge planting details) to allow: additional bunding, amended timescales for some planting and clarification as to permitted stockpile locations. Planning permission ESS/16/15/CHL as varied by

					ESS/46/16/CHL permits “Extraction of an estimated reserve of 2.8 million tonnes of sand and gravel (from sites A38 and A39 as identified in the Minerals Local Plan 2014) and retention of existing access onto the A131, retention of existing sand and gravel processing plant (to be relocated within site A38), progressive restoration to agriculture using inert fill, installation of inert recycling facility, including screening and crushing to recover secondary aggregate. In addition revised restoration scheme for the existing quarry area.
Chelmsford	ESS/41/17/CHL	Land at Sandon Quarry, Southend Road, Sandon CM2 7TE	Full Planning Application ESS	07/08/2017	Installation and operation of an inert waste recycling facility to produce secondary aggregate in the southern quarry void.
Chelmsford	ESS/40/17/CHL	Land at Sandon Quarry, Southend Road, Sandon, CM2 7TE	Removal/Variation of Condition ESS	07/08/2017	The continuation of the infilling with inert waste without compliance with Conditions 2 (Approved Details); 9 (Restriction on Importation); 12 (Phasing); 21 (Noise Limits) and 28 (Restoration) of Planning permission reference ESS/30/11/CHL to allow an extension in time for completion of restoration by 31 December 2026 in the southern quarry void.

Chelmsford	ESS/37/15/CHL	Bulls Lodge Quarry (Boreham Airfield), Generals Lane, Boreham, Chelmsford, CM3	Removal/Variation of Condition ESS	11/08/2015	Continuation of winning and working of sand and gravel as permitted by CHL/1019/87 without compliance with condition 1 (application details), Condition 4 (working and reclamation schemes) and condition 6 (restoration Master Plan) to allow amended restoration levels and amended restoration Masterplan.
Chelmsford	ESS/36/13/CHL	Hanson Aggregates Bulls Lodge Quarry Generals Lane, Boreham, Chelmsford CM3 3HR	Removal/Variation of Condition ESS	09/07/2013	Continuation of winning and working of sand and gravel, the erection of a processing plant and ready mixed concrete and mortar plants, workshop and weighbridge office (permitted by planning permission ref. CHL/1890/87) without compliance with condition 17 (hours of operation) to allow additional hours of operation for the processing plant from 0600 to 0700 and 1800 to 2200 hours Mondays to Fridays for a period of 5 years.
Chelmsford	ESS/08/16/CHL	Sandon Quarry, Southend Road, Sandon, Howe Green, CM2 7TE	Full App with EIA ESS	12/02/2016	Northern quarry void and plant site including the restoration of the Northern quarry void using inert materials to agriculture and nature conservation interest with new public rights of way, the installation and operation of an inert waste recycling facility in the plant site for the production of secondary aggregate followed by the restoration of the plant site to nature conservation interest and the creation of an area of biodiversity compensation habitat.

Colchester	ESS/52/17/COL	Colchester Quarry (Stanway), Warren Lane, Stanway, CO3 0NN	Removal/Variation of Condition ESS	12/10/2017	Continuation of use of land for mineral extraction and ancillary use without compliance with Condition 6 (Dry Silo Mortar Plant Operating hours) of planning permission ESS/23/14/COL granted for "Extension of Stanway Quarry on land at Five Ways Fruit Farm (FWFF) via the extraction of 2.95m tonnes of sand and gravel etc" to extend the weekday DSM plant operational hours from 20:00 hours to 22:00 hours.
Colchester	ESS/27/17/COL	Colchester Quarry (Bellhouse), Warren Lane, Stanway, CO3 0NN	Full Planning Application ESS	21/04/2017	Continued use of the site without compliance of Condition 4 (Hours of Operation) attached to Planning Permission ESS/06/15/COL to allow the importation of both Local Authority Collected Municipal Waste (LACMW) and Household Waste Recycling Centre (HWRC) collected waste during the additional hours of 13:00 - 17:00 on Saturdays and 09:00 - 16:30 on Sundays.
Maldon	ESS/35/17/MAL	Land at Royal Oak Quarry, Maldon Road, Woodham Mortimer	Removal/Variation of Condition ESS	17/07/2017	Continuation of use of land for mineral extraction through a revised phasing scheme without compliance with Conditions 20 (Soil Storage); 39 (Phasing Scheme) and 41 (Water Management) of planning permission ref no: ESS/19/14/MAL.
Rochford	ESS/38/16/ROC	Barling Marsh Quarry and Landfill Mucking Hall Road Barling Magna	Removal/Variation of Condition ESS	21/12/2016	Continuation of development permitted by planning permission ESS/47/10/ROC without compliance with condition 1 (approved details), condition 40 (restoration date) and condition 41 (removal of haul road) to allow operations to continue until 2022 and

					to permit the haul road until 2023. ESS/47/10/ROC was for the following development 'Revise the pre-settlement contours of the existing landfill operation through the importation of non-hazardous waste, with associated extension in time requiring all operations to have ceased and the site to be restored by 31 December 2016. The application also provides for open windrow composting of green waste to take place at the site, with the product used for soil improvement at the site and revision of localised post settlement contours, including the infilling of a pond.
Tendring	ESS/58/17/TEN	Wivenhoe Quarry, Alresford Road, Wivenhoe CO7 9JU	Removal/Variation of Condition	01/12/2017	Continuation of extraction of sand & gravel, reinstatement with inert fill and restoration to part agriculture, part nature conservation and part open water without compliance with condition 48 (importation restriction) to allow the importation of fine aggregate to facilitate the continued use of the asphalt plant until 31/12/2018 (as currently permitted).
Tendring	ESS/55/17/TEN	Martell's Quarry, Slough Lane, Ardleigh, Colchester CO7 7RU	Full Planning Application ESS	02/11/2017	Retrospective change of uses for Site 1 (undeveloped land) and Site 2 (former industrial related land) for staff, visitors, lorries and equipment, and vehicles collected awaiting disposal associated with waste metal handling sites (Unit D and Unit 11).

Tendring	ESS/54/17/TEN	Martell's Quarry, Slough Lane, Ardleigh. Colchester CO7 7RU	Removal/Variation of Condition ESS	02/11/2017	Continuation of the handling of waste materials to accommodate an additional metal storage area without compliance with Condition 2 (Approved Details) of planning permission ESS/08/08/TEN (Rev) (Reception and decontamination of ferrous and non-ferrous metal goods (Mainly Vehicles). Preparation and processing of metal for export. Erection of new buildings associated with the proposed use. Provision of sealed working floor areas, associated drainage. Provision of weighbridge, parking and fencing)
Tendring	ESS/53/17/TEN	Land At Martells's Quarry, Slough Lane, Ardleigh, Essex CO7 7RU	Removal/Variation of Condition	12/01/2018	Continuation of use of land for mineral extraction without compliance with Condition 9 (Working Arrangements) of planning permission ref no: ESS/23/15/TEN (To enable the importation of materials from time to time to meet product imbalances and to offer a fuller product portfolio to customers without compliance with Condition 7 (Importation Restriction) of planning permission ESS/46/14/TEN) to enable landfilling to run concurrent with mineral extraction.

Pending County Council Applications as of 15 January 2018

<u>Area description</u>	<u>Application number</u>	<u>Location</u>	<u>Application type</u>	<u>Validation date</u>	<u>Full development description</u>
