

Messages from Cllr Howard Rolfe, received 1st May 2019

“The meeting with developers at Whiteditch Lane/Bury Water Lane to discuss resurfacing and drainage will be hosted by Castleoak, this meeting was the outcome of the positive discussions at County Hall last month. It is intended the meeting will take place before Newport’s Annual Assembly Meeting on May 20 so that a report can be presented to the village.”

Please see below for a list of all the projects submitted by your clients that have been short listed for the [LABC East Anglia Building Excellence Awards 2019](#) in your local authority.
